LABORATORY AND PILOT PLANT TESTING CUSTOMER ACKNOWLEDGEMENT

The undersigned acknowledges that Union Process Inc. will perform a demonstration trial grind of the customer's product in the Union Process laboratory. It is understood that the customer will be responsible for the following:

- 1. Supplying Union Process Inc. with a Material Safety Data Sheet (MSDS) for all material to be tested in the laboratory.**
- 2. Completing and returning to Union Process Inc., prior to the test, the appropriate "Information for Laboratory Test Run" data sheet supplied by Union Process Inc.**
- 3. The disposal of any waste solvents and/or materials resulting from testing and/or clean-up. (Note: If a customer generates more than 250 pounds of waste, the customer will also have to pay Union Process Inc. at the rate of \$5.00 per pound for waste in excess of 250 pounds.)**
- 4. All shipping charges associated with delivery of test material to Union Process Inc. and return of processed material, any unused portion, and clean-out material to the customer.**

WARRANTY: Union Process Inc. will use its best efforts to process material in conformance with customer's specifications. This warranty is in lieu of all others expressed or implied. Union Process Inc. shall not be liable for damaging customer's material or for any consequential, special or incidental damages.
